G
To us a child is born
C
A son is given to us
G
He comes to live with us
    Am   D
and be our prince of peace
People who lived in the dark
On us the light has shined
Like gardens in the sun
We grow from broken seeds

G C
From the first to the last
G Am C G
The beginning to the end and past
C G
And the last will be first
Em Am C G
And the meek will inherit the earth

We'll study war no more
Open the doors once more
Gather in love and joy
At tables spread for all
Our prince of peace will reign
Beyond the bounds of time
Though all the stars burn out
And every tyrant fall
