(note – last verse lyrics are updated in this chord chart from the original video on Youtube)

[intro - D Asus]

D Asus
Leaves flash and fade
Trees fall asleep
Ice puts down roots
But not as deep
G Asus A
As my love for you that cannot be erased
As hope and beauty and unrelenting grace
D Asus
Selah

Days come and go
Night wears on
Cold comes to stay
But not as long
As my love for you that burns eternally
As peace and justice and generosity
Selah

Worlds form and die
Stars breathe their last
Time marches on
But never past
My love for you that never can forget
My heart holds you and never will forget
Selah
